Institution (if any)	
<p>Waiver: The information transmitted during his workshop is provided for information and educational purposes only. If you are a wheelchair user or a caregiver of a wheelchair user, the information is not intended to be and does not constitute healthcare or medical advice. Any decision concerning your health, treatment and/or wheelchair should be made in consultation with your qualified healthcare professional. Wheelchair skills can be dangerous and result in severe injury if attempted without the assistance of trained personnel. If the skills are attempted, for assessment or training purposes, an experienced spotter should be available to intervene. Participants assume full responsibility for their actions.
